

Notice from Fuji City

▶▶▶ Important request to contain COVID-19 ▶▶▶

To citizens

There have been many infected people in their 20s to 50s.

From them, infection is spreading widely in homes and workplaces.

Each person's behavior is the key. Try to stay at home.

- ▶ Restrain yourself from going out for non-essential things.
- ▶ Restrain yourself from going to other prefectures.
- ▶ Restrain yourself from using eating places after the business hours that the authority has requested to shorten.
- ▶ Restrain yourself from using eating places that are not taking thorough COVID-19 prevention measures.
- ▶ Avoid times and places that are crowded.

! What to do to protect your precious family, friends and yourself !

1. Avoid situations that increase the infection risk, such as three Cs.
2. Be sure to wear a mask (Beware of heatstroke!). Wash your hands, gargle, and disinfect your hands and fingers often.
3. Beware of infection in common places, such as restrooms, smoking spaces.
4. Restrain yourself from dining with many people or for long time. (Including outdoor barbecue, etc.)
5. Restrain yourself from going out or going to work when you do not feel well, such as having fever, tiredness, etc.
6. Work from home, have web meetings.
