

## Regarding Vaccine Passport

英語

People who have received COVID-19 vaccine with the vaccination coupons issued by Fuji City and have plans to go abroad can apply for a certificate of being vaccinated (hereinafter called "Vaccine Passport").

The passport cannot be issued to those who are not going abroad.

Moreover, if you have been vaccinated with vaccination coupons issued by another municipality, Fuji City cannot issue your Vaccine Passport. Please apply to the municipality that issued the coupons.

If you wish to receive a Vaccine Passport, please send required documents to the contact address as follows. After the procedure, the Vaccine Passport will be sent to the applicant in the return envelope.

Please note that it may take some time from the application to the issuance.

### Eligible person

Those who have received COVID-19 vaccine with the vaccination coupons issued by Fuji City and have plans to go abroad sometime soon.

\* The municipality where you had your *Jumin-hyo* (residence registry) when you were vaccinated accepts your application.

\* If you received your first dose and second dose of vaccine with coupons from different municipalities, please apply to each of the municipalities.

### Required documents

1. Application Form for Vaccination Certificate of COVID-19
2. Copy of the identification page of your passport.
3. "Copy of your vaccination certificate" or "Copy of your vaccination record".  
\* If you have lost those of 3, write the venue and the date and time of your vaccination in the application form.
4. Return envelope to the applicant.  
(\* Please write the return address and put an 84 yen stamp on.)

If an agent applies, the following 1 and 2 are necessary in addition to the required documents above.

1. "Power of attorney" or "Document that certifies the qualification of a legal agent."
2. Copy of ID of the agent (driver's license, health insurance card, etc.)

**Commission Fee**     Free for the time being.
